F.A.Q
TENDER NO. 83440733

TENDER TITLE: MEL system for ePrakriti

DATE: June 16, 2023

SR. NO	QUERY	RESPONSE BY GIZ
1	As per eligibility criteria, min. 5 years' experience is required to be eligible for the application . **Query:** Our company was registered in 2019 and currently is running in 5th year. Can you pls consider our application?	No
2	Reference Projects with min commission value of 20,000 Euros **Query:** We have worked with the CGIAR institute to gauge crop health and area under cultivation at various locations in India. For which, we developed the app with geo fencing functionality. Developing the App was not directly part of deliverables but it was important part to carry out the project. Can it be considered as a reference project?	Yes
3	Experience of development projects (ODA Finance): We are working with CGIAR institute to develop innovative models for micro credit product and insurance to small and marginal farmers in India and Africa. To execute these projects we have developed Apps, used RS, AI and ML technology. Can payment coming through CGIAR institution to develop products and services which include development of app as a part of project considered as ODA Finance? We have worked previously on the very similar project and also was part of SPNFHP - Himachal Government project of Natural Farming. We are working with 55K+ farmers across 12 states in India. Our experience in development of Apps, working in Natural Farming Project and with farmers can add immense value to the project. So, I request you to kindly consider.	Yes
4	**Query/Request 1:** We as a competitive bidder for this Tender, would like to request for the revision of the Average Turnover Requirement to 75,000 Eur instead of 100,000 Eur. We would like to bring your kind attention to a very similar project that has been awarded to us by GIZ. We are very sure to offer a very competitive price for the required development of the MEL System and we have our prior experience of working with SRLM Department in Uttar Pradesh and prior experience of working with similar systems for Government & GIZ.	Criteria can't be changed.
