TERMS OF REFERENCE

Background:

Support to Agroecological Transformation Processes - SuATI" was commissioned by the German Federal Ministry for Economic Cooperation and Development (BMZ) as part of the global BMZ Initiative "Transformation of Agrifood Systems". The project is implemented by GIZ India in cooperation with the Ministry of Agriculture and Farmers Welfare (MoA&FW), the National Bank for Agriculture and Rural Development (NABARD) and the Ministry of Rural Development (MoRD). SuATI is focused on the states of Karnataka, Madhya Pradesh and Assam.

The objective of SuATI is to strengthen agroecological transformation processes of agricultural and food systems at national and state level in India through five interlinked output areas:

1. Improve knowledge on agroecological and similar sustainable agricultural practices
2. Support implementation of agroecological programmes with focus on market development, crop and income diversification at state level
3. Anchor agroecological principles and approaches in national programmes
4. Demonstrate landscape-based planning, implementation and monitoring of agroecological approaches
5. Strengthen Indo-German dialogue and cooperation on agroecology

Purpose of the Tender

The purpose of this procurement is to acquire milk analysers to support women producer groups in Madhya Pradesh via forward linkage support towards enhancing agroecological transformation leveraging women SHG members. The machines should integrate accurate analysis, efficient data processing, reliable printing, precise weighing, sustainable power solutions, and compliance measures to enhance operational efficiency. This aims to ensure quality assurance in the dairy industry, fostering empowerment and sustainable development within local communities.
